JUN24 "Bronze National & UP" MATCHPOINT Player of the Month by Masterpoint Rank

START 01 Jun 2024 **END** 30 Jun 2024 **TYPE** Individual **GENDER** Any **HANDICAP** No

You must play (at any of our venues) 3 times in the month in any qualifying OPEN MATCHPOINT session to qualify.

The Average percentage of your BEST 3 results will be used to calculate your result.

This means that if you play more sessions, then you have more chances to improve your BEST 3 results as your worst results will be discarded.

To WIN the FREE GAME VOUCHER, you must be ranked by the ABF Masterpoint Centre in the correct category.

Occasionally players are not listed as per their true experience. This can happen to Overseas players who join in Australia or new members who played elsewhere. Also, Pianola is not regularly updated with the current Masterpoint Rankings, so it is also possible that someone could have progressed to the next level but still be listed in this group. If identified, they will be moved to the correct group or to a level commensurate to their experience. Any people listed as "Inactive Players" at the Masterpoint Centre will be moved to the "National & UP" Group as we cannot determine their correct grouping.
